

# FCS UNIFORM INFORMATION

**\*\* Updated for 2026/2027 \*\***

**\*\* We have added dry-fit polos to all grades this year, boys and girls! You can find this update under the Founders Christian School dress code on Lands' End. Please keep in mind that polos on the pre-order form are the normal "mesh" material, not the dry-fit.**

Please see excerpt from Parent/Student Handbook regarding important uniform policies:

Students at Founders Christian School may purchase pants and shorts, from any retailer of their choice, provided that they conform to the FCS dress code. We have selected uniform items from Land's End, whose styles are consistent with the dress code/standards at FCS. These items can be accessed at [www.landsend.com](http://www.landsend.com) under preferred school number 900148735. FCS polo shirts can be purchased from Land's End, and when available, at the Founders Christian School store. P.E. shirts will be purchased directly from the school store.

All pants and shorts must be of a plain, flat-front style and should not have extra pockets, loops, snaps, straps, etc. **For girls, skirts, and skorts must be purchased from Land's End under the preferred school number 900148735.** Further, skirts must be solid black, khaki, or approved plaid only, **and must be "at the knee" length or longer** and must otherwise adhere to approved styles as outlined by FCS. No denim of any color is permitted, except as outlined in II.C.1.c below.

(Note: The approved plaids for skirts and skorts is called "Red Plaid")

FCS uniform polos can be purchased through Land's End or pre-ordered through the school. P.E. shirts will be purchased and pre-ordered directly from the school. We appreciate your understanding in the matter as we strive to give our families the highest quality for the best price!

**All outerwear must be purchased from Land's End or directly from the school and have our school crest/logo on it.**
